constitute "prior art." If the Examiner applies this document as prior art against any claim in the application and Applicants determine that the cited document does not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO 1449 Form, and to indicate in the official file wrapper of this patent application that the documents have been considered.

Respectfully submitted,

Date: January 7, 2002
